Compliance & Risk Management

Prove your worth as a trusted advisor by helping your clients navigate the complex world of compliance and risk management. Provide them access to tools and a content library to help them maintain compliance and avoid potential penalties.

- Content Library
- Compliance Apps
- Notices
- Benefit Document Builder
- OSHA Log

Employer Self-Service Portal

Provide clients access to an online portal to create a one-stop shop for all the content, tools and resources they need.

- 24/7 Access
- Mobile-Friendly
- Customizable to your brand

Learning Management System (LMS)

Exceed expectations by offering clients a learning management system (LMS) that can be customized to meet their unique business needs.

- Extensive Course Catalog
- Mobile-Friendly
- Customizable to your brand

People Management

Extend your value by offering your clients tools centered around their biggest investment—their employees. Provide them with the HR Apps and resources they need to do their jobs more effectively, along with access to a team of experienced HR professionals who are ready to answer their pressing business questions.

- HR Apps
- HR Hotline
- Employee Handbook Builder

Enrollment & Onboarding

Become an essential part of your clients' benefits enrollment process. Instantly create, manage and store enrollment booklets that are customized with your colors, logos and fonts.

- Enrollment Booklet Builder
